2. Purchase of Tender Documentation, transfer of purchase price and method of receipt (with reference to item no. 10 and 11 of the invitations)

Purchasing the Tender Documentation is a precondition for taking part in the tendering process. The purchase price of the Tender Documentation is HUF 100,000 (one hundred thousand forints) plus VAT, which must be paid via bank transfer to the Hungarian Mining and Geological Service's appropriation use framework account No. 10032000-01417179-00000000. The purchase price of the Tender Documentation may not be paid in cash and is not refundable in part or in full. When purchasing the Tender Documentation, **the purchaser must also submit a Concession Bidder Identification Sheet in two copies**. The Tender Documentation may be collected at the Customer Service Office of the Hungarian Mining and Geological Service (17-23 Columbus utca, 1145 Budapest, HUNGARY) on working days between 8:00 am and 2:00 pm until the day before the submission deadline. A confirmation of the bank transfer for the purchase price of the Tender Documentation is to be presented upon receipt of the Documentation. The receipt of the documentation is confirmed by the MBFSZ by signing the Application Identification Sheets, from which one copy shall remain with the customer.

The Concession Bidder Identification Sheet and the related completion guide are available and can be downloaded from the Website of The Hungarian Government and the website of the Mining and Geological Survey of Hungary.
