Issued on: **18 May 2016**

Deadline For Application: **8 June 2016**

POSITION TITLE:	<b>JUNIOR PROFESSIONAL OFFICER (ENVIRONMENT AND CLIMATE CHANGE)</b>	GRADE LEVEL:	<b>P-1</b>
ORGANIZATIONAL UNIT:	Subregional Office for Central Asia	DUTY STATION*:	<b>Ankara, Turkey</b>
		DURATION :	<b>Fixed-term: two years</b>
		POST NUMBER:	<b>Unidentified</b>
		CCOG CODE:	<b>1.R</b>

\* The length of appointment for internal FAO candidates will be established in accordance with applicable policies pertaining to the extension of appointments

**Qualified female applicants and qualified nationals of non-and under-represented member countries are encouraged to apply.**

**Persons with disabilities are equally encouraged to apply.**

**All applications will be treated with the strictest confidence.**

**The incumbent may be re-assigned to different activities and/or duty stations depending on the evolving needs of the Organization.**

### Organizational Setting

FAO's Subregional Office for Central Asia (SEC) is responsible for developing, promoting, overseeing and implementing agreed strategies for addressing subregional food, agriculture and rural development priorities. It develops and maintains relations with subregion-wide institutions including Regional Economic Integration Organizations (REIOs). It assists the FAO Representations (FAORs) in the subregion with addressing subregional food security, agriculture and rural development issues at country level. The Subregional Office is a subsidiary of FAO's Regional Office for Europe and Central Asia (REU).

### Reporting Lines

The Junior Professional Officer directly reports technically to Forestry Officer (SEC) and Climate Change Officer (REU), and under overall supervision of Sub-regional Coordinator for Central Asia

### Technical Focus

Environment and climate change policy and management, climate change mitigation and adaptation, sustainable development, natural resources management – particularly related to land, water, forestry, fisheries and biodiversity.

### Key Results

Analytical and database/web services to support programme, projects, products and services

### Key Functions

- Analyzes relevant technical social, economic, environmental, and technology information, data and/or statistics for input in various documents
- Maintains records and updates databases and web pages
- Provides technical support to various projects
- Collaborates in the development of training tools and materials and the organization of workshops/seminars etc.
- Participates in the organization and follow-up of meetings, consultations and conferences, the production of required materials and the provision of information and assistance to partners

### Specific Functions

- Assists in the provision of technical support to member countries in environmental sustainability and climate change policies and strategies as well as supports the implementation of FAO's Programme in building resilience within existing frameworks;
- Assists in the preparation of technical documents and provides inputs to member states on environmental sustainability and climate change management;
- Supports the exchange of information on the environmental sustainability and climate change between the subregional offices, regional office and headquarters;
- Assists in the identification and formulation of programmes and projects in the field of environmental sustainability and climate change adaptation and mitigation, particularly related to natural resource management including land, water, forestry, fisheries and biodiversity, and in the provision of technical advisory support to member countries as well as help in the implementation of FAO's Programme in building resilience within existing frameworks;
- Assists in capacity building and strengthening national capacity-building strategies on environment and climate change adaptation and mitigation.

## CANDIDATES WILL BE ASSESSED AGAINST THE FOLLOWING

### Minimum Requirements

- Advanced university degree in environmental sciences, or natural resource management or any other field related to the work of the Organization
- One year of relevant experience in the field of environment and climate change, or natural resource management
- Working knowledge of English, French or Spanish and limited knowledge of one of the other two or Arabic, Chinese, Russian

## Competencies

- Results Focus
- Teamwork
- Communication
- Building Effective Relationships
- Knowledge Sharing and Continuous Improvement

## Technical/Functional Skills

- Work experience in more than one location or area of work, particularly in field positions is desirable
- Extent and relevance of experience in environment and climate change, or natural resource management
- Extent and relevance of experience in the preparation and revision of technical/scientific documents and in organizing meetings and workshops
- Working knowledge of English and Russian is an asset.

---

Please note that all candidates should adhere to *FAO Values of Commitment to FAO, Respect for All and Integrity and Transparency*.

---

## ADDITIONAL INFORMATION

- Candidates should be 32 years of age or younger as of 31 December of the year of application.
- All candidates should possess computer/word processing skills.
- Evaluation of qualified candidates may include an assessment exercise which will be followed by a competency-based interview.
- Your application will be screened based on the information provided in your iRecruitment online profile (see “*How to Apply*”). We strongly recommend that you ensure that the information is accurate and complete including employment record, academic qualifications and language skills.
- Please note that FAO will only consider academic credentials or degrees obtained from an educational institution recognised in the IAU/UNESCO list.
- Other similar positions at the same level may be filled from this vacancy notice and the endorsed candidates will be considered for the Employment Roster for a period of 2 years.
- Candidates may be requested to provide performance assessments.

## REMUNERATION

A competitive compensation and benefits package is offered. For information on UN salaries, allowances and benefits, click on the following link: [http://www.un.org/Depts/OHRM/salaries\\_allowances/salary.htm](http://www.un.org/Depts/OHRM/salaries_allowances/salary.htm)

## HOW TO APPLY

To apply, visit the iRecruitment website at <http://www.fao.org/employment/iRecruitment-access/en/> and complete your online profile. Only applications received through iRecruitment will be considered.

Candidates are requested to attach a letter of motivation to the online profile.

Vacancies will be removed from iRecruitment at 23:59 Central European Time (CET) on the deadline for applications date. We encourage applicants to submit the application well before the deadline date.
